Stanton Athletics Booster Club

Welcome to Stanton College Preparatory High School and the Stanton Athletics Booster Club.

The Stanton Athletics Booster Club (SABC) is a nonprofit organization of parents, grandparents, coaches, student athletes and community members committed to providing moral support and assistance for the benefit of ALL athletic programs of Stanton College Preparatory High School (Stanton).

Goals and Vision

Our goal is to promote excellence in Stanton's interscholastic athletics and to ensure that the athletic program prospers through volunteer time of parents, alumni, or other supporters, so that ALL student athletes who participate have the opportunity to experience the benefits of organized high school athletic programs. The SABC proudly supports student athletes by:

- collecting membership fees to support ALL athletic programs;
- raising funds to supplement district allotments to improve indoor/outdoor facilities, equipment, supplies and team wish lists (i.e. scorer table, rye grass seed, storage, wrestling mats, tennis courts, locker rooms and more);
- selling apparel to boost school and team spirit and;
- recognizing team and individual achievements with sports banquets and college signing events.

We appreciate everyone who has become a member of the SABC and for all of the support of the businesses and families listed in this book.

We want to especially thank Ms. Majova and the Stanton Administration for all of their support and guidance.

For questions or additional information, contact Chris Crider – Athletic Director at criderc@duvalschools.org.
