## Home of the Blue Devils

## Nongongoma Majova-Seane, Principal

Chris Crider, Athletic Director

Dear Potential Patron,

Stanton College Preparatory School's football team is asking for your support. We have been working hard something that would be long-lasting and lucrative to fund all of the team's needs. After two years of strategizing, we came up with the biggest and baddest sponsor board you can imagine! The SCP Football Program is not funded by the district or state, so we rely on generosity of businesses like yours, to enhance the experience for our student-athletes.

Being a sponsor not only shows support to the community, but it highlights your product, services, or business. Please choose the size of sign that best suits your organization. Submit artwork to criderc@duvalschools.org. Please print this page and indicate which size you would like and make checks payable to Stanton Athletics Booster Club or visit <u>https://www.stantonathletics.com/varsity-football</u>.
