Booster Club Information

The Stanton Athletics Booster Club (SABC) is a nonprofit organization of parents, grandparents, coaches, student-athletes and community members, committed to providing support and assistance for the benefit of ALL athletic programs of Stanton College Preparatory School (Stanton).

The initial year was great for us getting established and setting the foundation for years to come; but it's time for us to take it to the next level! With our varying areas of residence and prominent alumni, we should be more of a presence! We are looking for more alumni, parents, and community leaders, to make this program all that it can be!

Goals and Vision

Our goal is to promote excellence in Stanton's interscholastic athletics and to ensure that the athletic program prospers through volunteer time of parents, alumni, or other supporters, so that ALL student-athletes have the opportunity to experience the benefits of organized high school athletic programs. The SABC proudly supports student athletes by:

- collecting membership fees to support ALL athletic programs;
- raising funds to supplement district allotments to improve indoor/outdoor facilities, equipment, supplies and team wish lists (i.e. rubberized track, storage, wrestling mats, locker rooms and more);
- running the concession stand
- selling apparel to boost school and team spirit and;
- recognizing team and individual achievements with sports banquets and college signing events.

We have sponsorship opportunities and season ticket options which are probably the easiest ways to contribute. There will also be an all-sports fundraiser each season to lead the way for our drives. These seasonal events include a golf tournament (spring) and 5K (fall) which are fun ways to get involved!

Also, each season we print a full color media guide to showcase our teams. Please consider purchasing ad space. Families and businesses are welcome. Costs are: Full Page = \$150, Half Page = \$75, 1/4 Page = \$50, 1/8 Page = \$25. To find out more about sponsorship please visit the Stanton Athletics homepage (www.stantonathletics.com).

The booster club uses funds to assist in many ways, but will also award two student-athletes with a \$500 scholarship. The application is due March 25th, 2016 and can be found on the Stanton Athletics Website, under the Booster Club" tab. As revenue is generated, we hope to increase the award in the near future. Did you know that the SABC also contributed \$1000 to Heartland Rehabilitation to get more athletic training coverage for our student-athletes? It is items like this that really makes all of your hard work worthwhile.

We appreciate everyone who has become a member of the SABC and for all of the support of the businesses and families whom contribute to our deserving student-athletes. We want to especially thank Mrs. Majova and the Stanton Administration for all of their support and guidance.
